'POPDOSE.COM', 'GOLDEN STATE MUSIC' & 'ARTISTS FOR HEALING' BRING YOU TURNING TOWARD THE SUN: AN EVENING OF MUSIC & ENTERTAINMENT TO BENEFIT THE MAKE-A-WISH FOUNDATION® OF GREATER LOS ANGELES

## **Local Musicians and Entertainers unite for a great cause!**

Los Angeles (August 8, 2008) – ARTISTS FOR HEALING together with GOLDEN STATE MUSIC and POPDOSE.COM will be helping to fulfill wishes for children with life-threatening medical conditions by hosting Turning Toward the Sun: An Evening of Music and Entertainment at Safari Sam's (5214 W Sunset Blvd, Hollywood CA) on September 14, 2008 at 7:30PM. Tickets will be \$10 dollars and 100% of the net proceeds will benefit the Make-A-Wish Foundation of Greater Los Angeles. This event is open to all ages.

The variety show themed event will feature performances by local bands Moving Picture Show, Just Off Turner & Brandon Schott (who will be joined by a string quartet for this exclusive engagement), as well as a silent auction, door prizes, a special presentation by the Make-A-Wish Foundation of Greater Los Angeles, and other special attractions!

"I recently went through a serious life-threatening medical journey myself, and the amount of love and support I received during that critical time was beautifully overwhelming," said singer-songwriter Brandon Schott, one of the event's organizers and the founder of Artists for Healing. "In creating the organization Artists for Healing, and pulling together this event – I'm taking a small first step towards repaying some of that karma back. My dream is to raise enough money with our efforts here to help the foundation make it a little easier for a child and their family in the Los Angeles area going through a rough time."

The Make-A-Wish Foundation grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy. Born in 1980 when a group of caring volunteers helped a young boy fulfill his dream of becoming a police officer, the Foundation is now the largest wish-granting charity in the world, with 67 chapters in the United States and its territories. With the help of generous donors and more than 25,000 volunteers, the Make-A-Wish Foundation grants a wish every 40 minutes and has granted more than 165,000 wishes in the U.S. since its inception.

Established in 1983, the Greater Los Angeles chapter of the Make-A-Wish Foundation is celebrating 25 years of fulfilling wishes for over 6,300 children throughout Los Angeles County.
